DETAILS AND DEFINITIONS OF WARRANTIES

Warranties as defined below ensure that your Welspun Greens will be fit for its intended use for the stated warranty period based on the product procured, which is defined in number of years from the date of invoice of the product purchase.

GENERAL WARRANTY – Conditions and Owner Obligations

These warranties only extend to the original end user and are not transferable. In order to maintain and protect your coverage under the terms of these warranties, it is the Owner's obligation to adhere to the following:

1. Keep proof of your purchase in the form of a bill, invoice or statement from your retailer that shows the date and price you paid for Welspun Greens.
2. Understand that Welspun warrants that the product will perform properly for the stated warranty period. Its intended purpose being landscaping- like gardens, on terraces, balconies, walls and public green spaces subject to the product being fit for purpose, normal wear of the product, whether or not due to intensive use, does not fall under any form of warranty. The warranty period, when valid, begins on the date of the invoice of the product purchase.
3. Inspect flooring material prior to installation for any imperfections or manufacturing related defects. Welspun's products receive extensive testing and visual examination in an attempt to assure your shipped floor is always first quality. It is the responsibility of the installer/end user to confirm the received material is free of any obvious visible conditions that may be detrimental to the appearance and/or performance of the product.
 - Minor color, shade and/or texture variations are normal. Any variances between actual material, product samples and/or brochures should be addressed with your retailer prior to installation. If the retailer determines the condition "unacceptable," the manufacturer should be informed immediately.
